CUBAN JOURNAL OF AGRICULTURAL SCIENCE  
CONTENTS VOL. 16 No. 1, 1982

<i>Animal Science</i>	<i>Page</i>
GARCIA, R., MARTINEZ, R. O., ORTIZ, R. and BARTKO, P. A study on acid-base balance in bovine cattle. 2. Incidence of the acid-base unbalance and the reproductive problems of Holstein cows during the rainy and dry seasons .....	1
VALDES, G., RUIZ, R., MOLINA, A. and CAIRO, A. J. Protein-energy balance of calves consuming Coast cross 1 bermuda grass with three levels of N fertilization .....	7
SANTOS, A. and PEREIRO, M. Effect of hormonal treatment on fertility of F <sub>1</sub> heifers (Holstein x Zebu) in pastures supplemented with 2% molasses/urea during the dry season .....	17
PLAZA, J. and ALVAREZ, R. Preliminary trials on the utilization of fish silage and final molasses for the supplementation of grazing calves .....	27
RICO, CARMEN and GOMEZ, J. Genetic and environmental factors affecting the reproductive performance of the Duroc breed in Cuba. II. Influence on mortality .....	37
SANTANA, ISABEL, DIEGUEZ, F. J., TRUJILLO, G., GERARDO, LOURDES and NARANJO, P. A. Genotype x diet interaction in Duroc and Yorkshire pigs fed processed swills and cereals ....	45
MAYLIN, A. and CERVANTES, A. Effects of final molasses inclusion in the diet on some digestibility indices of processed swill for growing pigs .....	57
PEREZ, P. and VALDIVIE, M. Skip-a-day feeding to heavy replacement chickens .....	69
ESMERALDA, LON-WO. Low quality hay utilization in deep litters for fattening chickens .....	77
ALVAREZ, R. J. Apparent retention of dry matter, organic matter and N in chickens fed final molasses. Preliminary data .....	85
DOMINGUEZ, G. H., HARDY, CLARA and AYALA, J. R. Effects of cutting age and final molasses levels on the quality of king grass silage ( <i>P. purpureum</i> x <i>P. typhoides</i> ) .....	91
 <i>Pasture Science</i>	
HERRERA, R. S. Bermuda grass response to nitrogen fertilization and age of regrowth. 2. Performance of the nitrogenous components .....	97
MONZOTE, MARTA, FUNES, F. and GARCIA, M. Tropical legumes associated to pangola grass ( <i>Digitaria decumbens</i> Stent). Establishment .....	105
SISTACHS, M., FERNANDEZ, LIDIA and LEON, J. J. Susceptibility of razorggrass seed ( <i>Paspalum virgatum</i> L.) to different herbicides	115
